

Trace the letters in each elephant. Write a number in each circle from 1-8 to order the letters to spell the word elephant.

The activity consists of eight grey elephants arranged in a grid. Each elephant has a letter written on its side and a small white circle below it. The letters are: p, t, e, h, n, a, l, e. The circles are intended for the student to write numbers 1 through 8 to indicate the correct order of the letters to spell the word 'elephant'.

Write the word elephant on the lines below.

elephant elephant

Blank handwriting lines for practice.
