Find free worksheets at **Mixminder.com**

Mixminder is a husband and wife team dedicated to providing **free curriculum, worksheets and activities** for teachers, homeschoolers and parents of public and private school children. We design all of our own activities and create all of our own artwork.

We'd love to have you visit us at our site: <http://mixminder.com>

And join us on our Facebook page: <http://www.facebook.com/mixminder>

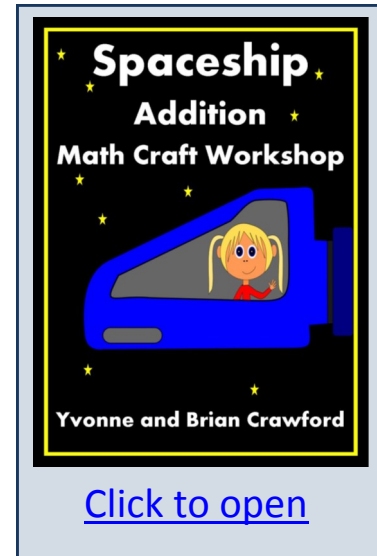

Here are some more **free activities** that your students may enjoy:

Mathbooking is a creative cross between mathematics and scrapbooking. With Mathbooking, children can start to learn about mathematics in a fun and stimulating environment. Here is a **free Weather Journal** with creative math questions for your children or students to answer.

The **Spaceship Addition Math Craft Workshop** is a unique way to learn addition. Cut out the colorful spaceship parts and assemble them together, then figure out how much the pieces of the ship add up to. Then have your students create a space scene to hang on your classroom wall.

Here are **52 free cursive writing worksheets** for your children or students to use to learn and practice cursive writing. Each upper and lower case letter has a page in which to practice handwriting each letter and a page with fun activities for your students to complete.
