

Happy April!

The month of April has arrived!
A time for flowers to grow and thrive.
April Fools Day is on the first,
we'll laugh at jokes until we burst.
Easter will be lots of fun
with bunnies and chocolate for everyone!
On Earth Day we'll vow to protect and clean
our beautiful planet of blue and green.
With April comes rain, so let's get set
to splash in puddles until we're all wet!

What do you enjoy most about the month of April?

Do you like April showers? Why or why not?
